ADVENT BOOKS

Our Little Blue Books for Advent are found at all church entrances. Please take one. These books were created by Bishop Ken Untener of the Catholic Dioceses of Saginaw in 1999. The purpose of this book, he said, was to encourage people to pray...even if only for 6 minutes a day. To accomplish this, the Little uses prayer tradition of *lectio divina* to help people pray the passion of the Lord.

The Pastor's Pen.....

WELCOME TO ADVENT!! In the midst of all we're dealing with, we begin this season of Advent, as always, with unmistakable optimism. This part of Advent is not yet about Christmas! The readings and prayers first stir our hopes, not for an annual feast, but for the great return of Christ at the end of time—the Parousia, the Second Coming. Early on, the Church saw the opportunity to use this season to stir up this hope, which we recite every week: “He will come again in glory to judge the living and the dead.” We have a vision of a grand time to come, the *end* of time, when the world will be ready for God’s promises to be fulfilled. Not that all we know now will be erased, and a whole new structure imposed. *“The building of a new world has already begun, and the elements of the present world are contributing to it . . . We may not wait passively for it to come about, but must work actively and intelligently to bring it to pass.”* (Nocent, O.S.B)

The readings of Mark’s Gospel, in his terse, stark style, are directed to our awareness of this Coming. He presents puzzling life incidents that tell us we’re in the age of reckoning with God’s purpose. As I’ve come into this wonderful parish, with great participation in liturgy and generous affirmation for my ministry, Msgr. Blood and I will enjoy working with you this year to build up the Kingdom of God here. It’s good to focus that our reason for doing all this is to make the world ready for Christ. With all the national turmoil too, and prayers for a healthy society, it’s good to be sure we’re focused first on Jesus and his return.

So we can use this part of Advent to buy out for now of the hecticness of “holiday” preparations, and renew ourselves in the grand hope and vision God has for our world. This is *our* careful planning to have a good Christmas in the richest sense, and next week, John the Baptist reminds us what we can do to hasten it.

 SCHOOL WILL BE VIRTUAL NOVEMBER 30
 TO DECEMBER 4.

A MESSAGE FROM OUR PROTECTING GODS' COORDINATOR:

Dear Parents and all Volunteers,

If you have not registered and fulfilled the requirements for Prevent and Protect, our safe environment program at St. Monica, I am asking you to do so as soon as possible.

The Archdiocese has contracted with a new company, Prevent and Protect. As an incentive, the company offered the Archdiocese a special rate for background checks. Until the end of the year, our cost will be fifty cents to renew each background check. As of the first of the year each background check will cost eight dollars. The Parish pays for these checks, and it would be a significant difference next year.

All parishioners who volunteer, are paid by the parish, or stand out as a representative of the parish must register and fulfill the requirements. If you took an onsite class under the old system, you do not have to take another onsite or zoom class. However, you do need to complete all the requirements required by Prevent and Protect. This can be done online, and directions will be available for you to follow. If you are new and need to take an onsite class or zoom class, they are listed on our website or speak with me or Mrs. Rohman. Please understand that your application cannot be processed until all of the requirements are fulfilled. When you have a check in each square, you will know that your application is ready for approval. Please do this before the end of the year.

Questions, contact Anne Coerver 314.434.4211, or email acoerver@stmonicastl.org.

I suggest you do this as soon as possible. The holidays are soon approaching. Thank you for your support and time at St. Monica, and thank you for saving the parish this added expense.

PRO-LIFE NO-BAKE, BAKE SALE

Because of COVID-19, the Archdiocese will not have Generation Life buses going to the March for Life. It is anticipated that a safer alternative will be held this year for our 8th graders. We will also be offering a different type of bake sale to help fund them. We are asking parishioners who usually support the bake sale to donate to the No Bake, Bake Sale to help with this and other needed pro-life endeavors. Checks can be addressed to St. Monica (Pro-Life) and marked for the No Bake, Bake Sale. You may drop them in the collection basket or the Parish Office. You may also mail them to the Parish Office at 12136 Olive, Creve Coeur, 63141. Any questions or concerns please call Diann Bomkamp 314.432.7719.

“WALKING WITH MOMS,”

The Pro-life Committee is again partnering with Birthright Counseling St. Louis to collect newborn-6 month sleepers and onesies for the “Sweet Dreams Sleeper Drive.” Collection boxes at each church entrance labeled BIRTHRIGHT until early December. Please help the new moms prepare for their little gifts of life.

While we are only just finishing up First Quarter we are looking forward to stabilizing our Enrollment Management Plan. The Marketing team is ready to begin working on open house but we need a few good people to help us out. Below are positions that we have open and need to fill. Many of you have asked about ways to fulfill your stewardship obligations. This is where the Stewardship of giving back to the school/parish comes in. These are all volunteer positions, but we are so grateful for every volunteer.

Photographer– we need an experienced photographer that can spend a day or two capturing still and action photos that we can use in our marketing materials. We like to have a batch of “go-to” pictures when creating marketing materials so we can just grab and create when the opportunity arises.

Open House Committee Chair- This person leads the committee in generating and implementing ideas for open house including advertising, events of the Open House, and follow up.

Open House Committee Members- These people help the Committee Chair put into action all the great ideas the committee generates.

Currently the Open House is scheduled for January 24th. We will probably expand the event over several weekends or weeknights and make appts. We aren't completely sure, so that is why we would like your input on how to invite new families to our school while keeping our current families. Please consider being part of this exciting mission.

5 GREAT REASONS to Patronize the Merchants in Our Church Bulletin!

1. They support the work of our church.

2. It keeps money in our community. For every \$100 spent at a locally owned business, \$68 goes back into the community and your tax base. For every \$100 spent at a chain store, only \$43 comes back. Online purchases bring nothing back to our local community.

3. Keeps our community unique. Where we shop, where we eat and have fun—all of it makes our community home. Our one-of-a-kind businesses are an integral part of the distinctive character of our community.

4. Creates more good jobs. Small local businesses are the largest employer nationally and in our community.

5. Get better service. Local businesses often hire people with a better understanding of the products they are selling and take more time to get to know customers.
