Parent:

I understand that the Internet is a worldwide group of thousands of computer networks. When using the Internet, I understand that students may read/see materials that I might consider controversial or offensive and will not hold anyone but my child responsible for accessing inappropriate materials. I have read the Acceptable use Policy (AUP) and understand that my child may continue to access the Internet as long as he /she is a student at St. Monica and follows the rules set by the school and contained in this Acceptable Use Policy.
